

Northstar Chevelle Club March 21, 2009 Meeting Minutes

On March 21, 2009 the meeting of the Northstar Chevelle Club was held at Corvette Specialties in Blaine, MN.

The meeting was called to order @ 11:17 AM by President John Sinna. John took a few minutes to welcome all members and guests present. In total, there were 23 members and guests present. One person joined at this meeting.

The next agenda item was old business. John Sinna suggested that the 30 calendars remaining be discounted to move them. He also reminded everyone that club shirts and jackets were available from Rick.

The next agenda item was new business. John Sinna went over the event calendar and indicated that Friday evening, June 26, had been confirmed for the club to have the corner at North St. Paul. John also mentioned that the club swap meet was set for 8/28-8/29 and that flyers were being printed for this event. The question of club coffee cups was brought up but the feeling was that can containers might be a better idea. Larry Lucast suggested plastic key chains as a better way to promote the club and it was agreed to look into this idea. Terry Didion went over the final changes to the bylaws dealing with the number of club members that needed to be present to effect any changes. Larry Lucast made a motion to approve the bylaws. The motion was seconded by John Delke and carried unanimously. John Sinna brought up the idea of a club cruise. John suggested that it be a Friday-Saturday-Sunday cruise to northern Wisconsin. This would be on June 12, 13 & 14. John suggested that we try and get other car clubs involved to increase the number of vehicles. Stops would include Rhinelander and Hurley. Per John, the Chrysler dealer in Hurley has indicated his lot would be available for a car show on Saturday.

The website was covered by John Sinna and Terry Didion. All members present thought the current site needed upgrading and John Delke volunteered to work on upgrading the current site. John Delke also asked that club members let him know if anyone had any special tools that would be available to other members for car projects. These would be listed on the website in a password protected area.

There were not any tech questions.

Terry Didion went over the trivia questions and prizes were awarded to the winners.

The 50/50 drawing brought in \$54 and the winner was Larry Lucast, who received \$27.

The date of the next club meeting was set for Saturday, April 11 am (edited by John Enga for new date), 2009 at Wheeler Automotive in Blaine, Minnesota, the meeting to start at 11:00 AM.

There being no further business, the meeting was adjourned @ 12:09 PM.

Respectfully submitted,

Terry Didion
Temporary Recording Secretary
