

Northstar Chevelle Club

April 11, 2009 Meeting Minutes

On April 11, 2009 the meeting of the Northstar Chevelle Club was held at Wheeler Dyno Service in Blaine, MN. Prior to the official meeting, Jeff from Wheeler dyno tested a 350 engine for member Phil Ford giving all club members present the opportunity to observe the process and ask questions. Following the dyno testing, Jeff brought the members present up to date on the changes in the formulation of new engine oils and the potential effects on older motors.

The meeting was called to order @ 11:40 AM by President John Sinna. John took a few minutes to welcome all members and guests present. In total, there were 30 members and guests present. Four people joined at this meeting.

The next agenda item was old business. John Sinna reminded everyone that club shirts and jackets were available from Rick and then showed everyone the leather sleeve jacket that had been donated to the club by a member. It was decided that tickets would be sold for this jacket, \$1.00 each, over the next few meetings, with a drawing at a future meeting.

The next agenda item was new business. John mentioned that the club swap meet was set for 8/28-8/29 and passed out flyers for this event to all those present. John also went over the upcoming summer fun run currently set for June 12th – 14th. This would involve a drive to Rhinelander and Hurley, Wisconsin with a Saturday morning car show at Cloverland Motors in Hurley, WI. Ian McAree informed the club member of another upcoming car show at TSI in Brooklyn Park on May 23rd.

The website was covered by John Delke. John went over the progress he had made with the website and suggested everyone take a few minutes to visit the site. Chris Reid asked the members for pictures and articles on their cars for the newsletter and website.

There were not any tech questions.

Terry Didion went over the trivia questions and prizes were awarded to the winners.

The 50/50 drawing brought in \$47 and the winner was Mike Sabby, who received \$23.

The date of the next club meeting was set for Saturday, May 16, 2009 at the home of Jamie Munter in Zimmerman, Minnesota, the meeting to start at 11:00 AM.

There being no further business, the meeting was adjourned @ 12:30 PM.

Respectfully submitted,

Terry Didion
Temporary Recording Secretary
