

Northstar Chevelle Club

May 16, 2009 Meeting Minutes

On May 16, 2009 the meeting of the Northstar Chevelle Club was held at the home of Jamie Munter in Zimmerman, MN.

The meeting was called to order @ 1:040 PM by President John Sinna. John took a few minutes to welcome all members and guests present. In total, there were 28 members present. The next agenda item was old business. John Sinna reported that he had trhe club hats and they were available now for \$20/each.

The next agenda item was new business. John mentioned that the club swap meet was set for 8/28-8/29 and passed out flyers for this event to all those present. John also went over the upcoming summer fun run currently set for June 12th – 14th. This would involve a drive to Rhinelander and Hurley, Wisconsin with a Saturday morning car show at Cloverland Motors in Hurley, WI. Mr. Sinna brought up the issue of the start times for the monthly meetings. There was a discussion about having the winter meetings start @ 1:00 PM on the 3rd Saturday of each month but others thought the start times should be variable and up to the person and/or company that was hosting the meeting. No decision was made. The next club meeting will be an open informal meeting and will be held on Friday evening June 26th at North St. Paul. That is the night we are the guest club. The meeting after that will be on Saturday July 18th @ 2:00 PM during the Car Craft Show. This meeting will also be open and informal.

There was one tech question involving a non-working amp meter. Several members presented various potential solutions.

Terry Didion went over the trivia questions and prizes were awarded to the winners.

The 50/50 drawing brought in \$92 with the winner receiving \$46.

John Delke said that the club needed a new software package for the future. The cost of this would be about \$150+ and since it was the \$100 limit outlined in the bylaws, Mr. Delke asked for a vote on this expenditure. There was a show of hands and it was unanimous.

There being no further business, the meeting was adjourned @ 1:57 PM.

Respectfully submitted,

Terry Didion
Temporary Recording Secretary
