

Northstar Chevelle Club

April 17, 2010 Meeting Minutes

On Saturday April 17, 2010 the meeting of the Northstar Chevelle Club was held at CA Performance in Oakdale, MN.

The meeting was called to order @ 3:05 PM by Bryan Flattem, club president. Bryan took a few minutes to welcome all members present. In total, there were 18 members present, with no guests.

The next agenda item was Old Business. Bryan reported that after the last meeting members went to Feed my Children and packaged enough food to feed 53 kids for a year. Bryan then opened up the meeting to a discussion about future meeting dates. Discussion about whether to continue with Saturday meetings or having an evening meeting. The next item was where to hold the meetings. At the present time the meetings have various locations and the discussion moved to whether or not to pick a restaurant or dealership for meetings. Several club members belong to other car clubs and they reported that the majority of their meetings were at the same location, time and day of the week. No decisions were made. The 50/50 drawing was won by Mike Sabby, \$7.50. As of 4/11/10 membership stands at 49.

Bryan opened a discussion about putting on a car show. Several locations were discussed as well as the costs involved; insurance, security posting, porta-potty, etc. The bottom line is that the costs could be several hundred dollars with the only recovery being the charges for each car and club t-shirts. A member brought up the impact of weather on turnout – a rainy day could reduce attendance to almost no cars. In the end it was decided to contact the Northstar Camaro club to see if they were interested in doing something together.

Terry Didion, the club treasurer reported that the club checking account currently has a balance of \$3,249.95. There being no further business, the meeting was adjourned @ 4:15 PM.

Respectfully submitted,

Terry Didion
Temporary Recording Secretary
