

Northstar Chevelle Club

May 26, 2010 Meeting Minutes

On Wednesday evening, May 26, 2010 the meeting of the Northstar Chevelle Club was held at Davanni's in Eden Prairie, MN.

The meeting was called to order @ 7:05 PM by Bryan Flattem, club president. Bryan took a few minutes to welcome all members present. In total, there were 9 members present, with no guests.

The next agenda item was Old Business. Bryan Flattem commented on the low turnout and suggested we keep the meetings on Wednesday evenings thru the summer months. If attendance remains low, we will look at other options for both meeting location, days of the week and meeting times.

Bryan opened the discussion about upcoming events as well as ideas for other club events such as road trips, etc. The next club event is North St. Paul on Friday evening the 25th of June, when the Northstar Chevelle Club will be the featured club. Everything is in place for this event and we will try and have a good turnout of club vehicles for this. Car Craft was the next event. That is currently set for Friday-Saturday-Sunday, July 16-17-18. We will try to have several members there early to secure a spot for the club. Several locations were discussed based on a fairgrounds map brought by Bryan. After further discussion it was decided a final decision on the location will be made at the North St. Paul show on June 25th. There was also some discussions about some possible activities in August and this would be covered further at the next meeting.

Terry Didion, the club treasurer reported that the club checking account currently has a balance of \$3,313.50. There being no further business, the meeting was adjourned @ 8:35 PM.

Respectfully submitted,

Terry Didion
Temporary Recording Secretary
