

Meeting date: 10/20/2010 at Powdercoating Technologies in Plymouth.

President Bryan Flatter called the meeting to order at 7pm. He mentioned we will need ideas for future meeting sites, especially with Fuddruckers closing. Bryan stated that the November meeting will be held at Corvette Specialties on 11/20 at 12pm and the main focus will be on officer elections and planning a club car show next summer. Bryan stated that the calendar advertising and pictures are finished and sent to Jeff for layout and printing. In Terry's absence, Bryan stated that the club's account has \$4000.47 and no outstanding bills, with a \$50 payment expected from UMI Performance for web advertising. John Delke stated progress is being made in learning the club forum web layout, though he may need more help from Tom Brokaw. Bryan read from the club Bylaws regarding the club officer position duties and the election requirements and opened up the floor for discussion and nominations. John D offered to continue as webmaster, Chris Reid expressed interest in being club President, though there was mention of his time being strained due to his full time work and school commitments. Bryan expressed interest in continuing as President, though he stated he may step aside if another person stepped forward. Bryan stated that he met with Larry and Mike from Corvette Specialties regarding a meeting to be put on by both Northstar Chevelles and the MSMA club. There was a short discussion of location, potential dates, and ideas for events. At 8pm, Kent from Powdercoating Technologies started a guided tour of his facility and their process. The meeting ended at 9pm with refreshments and socializing.
