

November 20, 2010  
Corvette Specialties

The meeting was called to order by President Bryan Flattem at 12:00 pm. There were 23 members in attendance plus one renewing for the 2011 year. First order of business was nominations for officer positions and opened up the floor for any final entrants. Bryan noted that there was only one person per position running, and a call for spoken vote was made by Larry Lucast. It was seconded and all nominees were confirmed as officers for the 2011 year. Stan Shinker will be President, Chris Reid will be Vice President, Bryan Flattem will be Treasurer, John Delke will be Webmaster, and the secretary position remained open. It will be temporarily filled by Bryan Flattem.

Bryan Flattem made note of the refreshments being ready and adjourned for social time. During that time, door prize tickets were handed out. Upon resuming the meeting, drawings were held and winners got to choose their door prize from the table. Enough numbers were drawn so all present were able to pick their prize. Bryan then discussed the SEMA show and some new products he saw. Vendors for the 2011 year were mentioned and a listing of them was distributed to all members present. Bryan then announced tentative details for the 2011 car show and discussion of what the club's responsibilities will be and some details that will need to be finalized. Bryan was nominated and accepted the position of car show committee chair. Another round of drawings was held and drawings were held until everyone's number was drawn again. The remaining prizes were opened up to anyone who wanted them. The meeting was adjourned at 2pm, socializing followed
