

Northstar Chevelle Club

April 9th, 2016 Meeting Minutes

The April 9th, 2016, Northstar Chevelle Club meeting was held outside the GSTA Rod and Custom Spectacular at the State Fairgrounds in St. Paul, MN. Nine club members gathered for a brief meeting and a doughnut before heading inside for the show. President Chris Staniec called the meeting to order at 9:03 A.M.

Chris started with the Treasurer's report. The balance in the checking account was \$3,539, a \$10 increase over the March balance. The increase was due to one membership renewal, offset by expenses for website costs.

John Delke submitted a report on the website and forum. No issues were reported with either. The forum averaged 1,466 views per day, with 14.5 posts per day. The week of March 28 through April 3, the website had 98 visitors spending an average of 4 minutes and 17 seconds on the site.

Chris Staniec reminded members that license plates are still available for \$12 each.

The next meeting will be held Saturday, May 21st at noon in Eagan, MN. Watch your e-mail and the forum for further details.

Lares Corporation will be hosting a Car-B-Q on June 25th from noon to 4:00 P.M. Cars, trucks, and bikes from any year are welcome. There is a \$5 vehicle entry fee, people's choice voting, grilled food, cold drinks, and valve cover racing (think Boy Scouts pinewood derby racing, only with valve covers).

Street Machine Nationals will be held July 15th through July 17th. A plan for club representation at that event will be determined as the date approaches.

The Powercruise at Brainerd International Raceway will be August 5th through August 7th. Registration is now open.

Cruise for Troops will be September 24th at Running Aces in Columbus, MN.

Official business discussion ended, and the meeting was adjourned at approximately 9:10 A.M. Most members proceeded indoors to check out the show.
