

Northstar Chevelle Club

February 27th, 2016 Meeting Minutes

The February 27th, 2016, Northstar Chevelle Club meeting was held at Mitch Despen's "Lost in the 60's" shop in Stillwater, MN. Eighteen club members gathered for the meeting, pizza, and to reassemble the recently powder coated frame that was disassembled at the Bowtie Brunch in January. President Chris Staniec called the meeting to order at 11:58 A.M.

Chris started by thanking Mitch for hosting and his wife, Barb, for the wonderful sugar cookies, in the shape of Chevy Bowties, of course.

Following new member introductions was a discussion of the Treasurer's report. The balance in the checking account was \$3,485, a \$921 increase from the November balance. The increase was due to 2016 membership renewals, offset by expenses for the November 2015 meeting, the December 2015 holiday party, and the typical monthly expenses for Yahoo and website costs.

It was brought to the attention of the club that the website link to IDThreadz is not working. That issue will be investigated.

Chris Staniec reminded members that license plates are still available for \$12 each. However, neither he nor his wife remembered to bring them along. They'll try harder next time.

Chris Staniec stated that we would like to continue having club members host and/or organize monthly meetings in 2016. If anyone has interest in volunteering for a month, please let any of the officers know.

The next meeting will be March 19th at Lares Corporation in Cambridge. Lares is one of the largest re-manufacturers of power steering gears, manual steering gears, power steering pumps, and power steering components in the United States. Watch your e-mail and the forum for additional details.

Street Machine Nationals will be held July 15th through July 17th. A plan for club representation at that event will be determined as the date approaches.

Hank Millette indicated he applied to enter GSTA's 60th Annual Rod & Custom Spectacular this April but has not yet been notified of acceptance. If accepted, Hank would like to display a plaque, banner, or sign to promote the club.

Official business discussion ended, and the meeting was adjourned at 12:10 P.M.
