

## **Northstar Chevelle Club**

### **March 18<sup>th</sup>, 2017 Meeting Minutes**

The March 18<sup>th</sup>, 2017, Northstar Chevelle Club meeting was held at Mitch Despen's "Lost in the 60's" shop in Stillwater, MN. Seventeen club members gathered at 11:00 A.M. for a meeting, pizza, and welding an upper trunk crossmember and trunk floor patch in Jim Larson's '66 Chevelle. President Chris Pittman called the meeting to order at 11:20 A.M.

The balance in the checking account was \$3,247, a \$58 increase from the February balance. The increase was attributable to seven membership renewals, offset by website and February meeting costs.

None of the membership reported issues with the website or forum. Bryan Flattem added that the "Calendar" page on the forum has been updated with 2017 car shows and cruises. Members can add items to that calendar, as long as they're logged in to the forum.

Chris Pittman has the three-ring binders assembled for members to take to car shows and events. If you would like to check one out, contact Chris P.

The date and location of the April meeting will be determined soon. There was mention of a potential upholstery demonstration at another club member's residence, and many of the members in attendance expressed interest. Watch your e-mail and the forum for further details regarding the April meeting.

Chris Pittman is working on scheduling a May cruise to Fast Freddie's Rod Shop in Eau Claire, WI. Details will be posted as they become available.

Official business discussion ended, and the meeting was adjourned at 11:35 A.M.
