

## **Northstar Chevelle Club**

### **March 3<sup>rd</sup>, 2018 Meeting Minutes**

The March 3<sup>rd</sup>, 2018, Northstar Chevelle Club meeting, rescheduled from February 24<sup>th</sup> due to weather, was held at Hank and Karen Millette's in Columbus, MN. Fourteen members gathered as President Chris Pittman called the meeting to order at 6:25 P.M.

The balance in the checking account was \$3,025, a \$560 increase from the last reported balance. The increase was attributable to 47 membership renewals offset by November bowling, the holiday party, and website costs.

No issues were reported with the website or forum.

The next meeting will be a tech session at Larry Lucast's on March 17<sup>th</sup>. Beginning at noon, Larry has a wide variety of projects to complete on his '64 Chevelle, including:

- Installing brake cables
- Hand-sanding the underside
- Finishing the console
- Installing steering wheel
- Connecting wiring to rear lighting and trunk release
- Installing wiper linkage and motor
- Long block body sanding

The April meeting will likely be a tour of the car condos in Lino Lakes, but that is to be confirmed. Watch your e-mail and the forum for further details.

Official business discussion ended, and the meeting was adjourned at 6:30 P.M.
