

## **Northstar Chevelle Club**

### **March 17<sup>th</sup>, 2018 Meeting Minutes**

The March 17<sup>th</sup>, 2018, Northstar Chevelle Club meeting was held at Larry Lucast's in Coon Rapids, MN. Twenty-five members and guests gathered as President Chris Pittman called the meeting to order at 12:35 P.M.

After introducing a handful of new members and guests, Chris Pittman provided the treasury report. The balance in the checking account was \$3,142, a \$117 increase from the previous month's balance. The increase was attributable to 6 membership renewals offset by website and forum costs.

No issues were reported with the website or forum. Webmaster Stan Shinker has added upcoming events and shows to the forum, so check that out for further information. President Pittman reminded members to use the "We're Going to This – Want to Come Along??" feature on the forum when attending events in their area.

Many club members have expressed interest in ordering club logo merchandise. We are currently using IDThreadz for this. The NCC website and forum contain links to the IDThreadz website. Alternatively, you may go to [www.idthreadz.com](http://www.idthreadz.com) and type *Northstar Chevelle Club* in the search box. To save money on shipping, members may wish to coordinate orders or pick up in New Prague. Bob Wall has a contact in Woodbury that offers similar merchandise and will check into pricing for a possible change in vendors in the future.

We are down to two club logo license plates for sale. They are \$12 each.

The date, time, and location of the next meeting are yet to be determined. We are waiting for a call back from personnel at the garage condos in Lino Lakes. Watch your e-mail and the forum for further details.

May could possibly be a tech session at Chris Pittman's to get his Chevelle up and running. To reduce the risk of fire, Mitch is prohibited from attending. There could possibly be a future tech session at John Delke's regarding the Roadster, if members can bring themselves to work on a Ford, that is.

For those of you looking for an adventure, John Delke highly recommends Powercruise at Brainerd International Raceway. This year's event will take place August 3-5<sup>th</sup>, but it doesn't look like registration is open yet. Terry Didion added that the Hot Rod Power Tour is a great experience. It starts June 9 in Bowling Green, KY and ends June 15 in Concord, NC.

Official business discussion ended, and the meeting was adjourned at 1:02 P.M.
