

Northstar Chevelle Club

May 26th, 2018 Meeting Minutes

The May 26th, 2018, Northstar Chevelle Club meeting was held at Classic Auto Repair in New Brighton, MN. Twenty members and their guests gathered as President Chris Pittman called the meeting to order at 10:00 A.M.

New members Dean and Rick Becker were in attendance and introduced themselves to the group.

The balance in the checking account was \$3,182, a \$1 decrease from the previous month's balance. The decrease was attributable to 2 membership renewals offset by website, forum, and April meeting costs.

One new member reported a problem registering for the forum and has been referred to the Webmaster for resolution. Other than that, no issues were reported with the website or forum.

President Pittman suggested the club make a \$100 donation to the Veit Automotive Foundation Museum at next month's meeting. Members in attendance approved the donation.

The next meeting will be held at Veit Automotive Foundation Museum Saturday, June 16th. We will likely establish a gathering place and cruise to the event. Watch your e-mail and the forum for further details.

Street Machine Nationals will be held at the MN State Fairgrounds July 20th through July 22nd.

Official business discussion ended, and the meeting was adjourned at 10:08 A.M. Aaron from Classic Auto Repair gave a brief overview of what they do, and members were invited to peruse their collection.
