

## **Northstar Chevelle Club**

### **February 9<sup>th</sup>, 2019 Meeting Minutes**

The February 9<sup>th</sup>, 2019, Northstar Chevelle Club meeting was held at Hank and Karen Millette's in Columbus, MN. Twenty members gathered as President Hank Millette called the meeting to order at 5:30 P.M.

The balance in the checking account was \$2,843, a \$430 increase from the November 2018 balance. The increase was attributable to 35 membership renewals and a member donation, offset by November bowling, December holiday party, and website and forum costs.

Steve Coozenoy, Webmaster, has not received any e-mails reporting issues with the website or forum. Members in attendance indicated a problem with pictures uploaded by Hank Millette, but it does not seem like the issue is on the Club's end. Hank will check into it.

The March meeting will tentatively be a Camaro tech session at Mitch Despen's, followed by a viewing of Terry Didion's train collection in April. The dates and times of each have yet to be determined and may end up getting switched around. Members should watch their e-mail and the forum for future updates.

A tour of Kiss's Classic Cars is in the works for May or June, along with being "Club of the Night" in North St. Paul sometime this year. The only responsibility the club would have in North St. Paul is guiding our own members into the parking lot; there are no gate-manning responsibilities.

John Delke announced that he would like to have an open house to view the Factory Five Mk4 Roadster sometime in late February or early March, possibly even April. Details will be made available later.

Andrew Kraling mentioned that his wife gave him a daily rental gift card to Morrie's Heritage Car Connection this Christmas. After using the gift card to ride around in style in a Cadillac for a day, he will update members on the experience.

Bob Wall noted that another non-meeting club activity could be a tour of club members' garages.

Karen Millette also asked how much interest there was in getting together for meals and cruises this season as additional activities.

The Millettes were thanked for hosting game night, and the meeting was adjourned at 5:48 P.M.
