**March 23<sup>rd</sup>, 2019 Meeting Minutes**

The March 23<sup>rd</sup>, 2019, Northstar Chevelle Club meeting was held at Mitch Despen's in Stillwater, MN. Seventeen members gathered as President Hank Millette called the meeting to order at 11:40 A.M.

The balance in the checking account was \$3,235, a \$392 increase from the February balance. The increase was attributable to 18 membership renewal, offset by website and forum costs.

No issues were reported with the website or forum.

President Millette reminded members to get their IDThreadz merchandise orders in by March 31.

The next meeting will be a viewing of Terry Didion's train collection on April 20<sup>th</sup>. Members should watch their e-mail and the forum for further details.

The May meeting has not yet been scheduled.

A tour of Kiss's Classic Cars in Hampton is being scheduled for June.

We are the "Club of the Night" in North St. Paul July 26<sup>th</sup>. The only responsibility the club has for that event is guiding our own members into the parking lot; there are no gate-manning responsibilities.

Chris Pittman wanted to confirm that it was acceptable for non-Chevelle owners to join the Club. Members indicated that the Club website states owning a Chevelle is not a requirement of membership.

Business discussion ended, and the meeting was adjourned at 11:50 A.M.
