

Northstar Chevelle Club

June 8th, 2019 Meeting Minutes

The June 8th, 2019, Northstar Chevelle Club meeting was held at Andrew Kraling's in Minneapolis, MN. Ten members and guests gathered as President Hank Millette called the meeting to order at 10:00 A.M.

Andrew Kraling's friend and coworker, Nate, was introduced to the group. Nate moved here from Salt Lake City about a year ago and owns a '70 Malibu that still resides in Utah. When it makes its way to Minnesota, Nate knows he has people.

The balance in the checking account was \$2,960, a \$120 decrease from the May balance. The decrease was attributable to the holiday party deposit and Yahoo costs.

Bob Wall reported that when he clicks on the scheduled meeting box on the forum home page, it opens up another window where he appears to be in "Edit" mode.

The holiday party has been scheduled for Saturday, December 14th at Crooked Pint Ale House and Event Center in Maplewood.

The next meeting will be at Street Machine Nationals Saturday, July 20th. A few people in attendance plan to attend the show, and only two people have committed to saving parking spaces. If anyone is able to help out Thursday, please let Hank know.

We are the "Club of the Night" in North St. Paul July 26th. The only responsibility the club has for that event is guiding our own members into the parking lot; there are no gate-manning responsibilities.

We are "Club of the Night" in Hastings August 10th. More details will be made available as the date nears.

We still need to schedule September and October meetings and are looking for suggestions.

Pat Brewer stated he had a radio fixed at S&M Electrotech, and they did a fantastic job.

Andrew thanked everyone for their assistance.

Business discussion ended, and the meeting was adjourned at 10:09 A.M.
