

Northstar Chevelle Club

August 14th, 2021, Meeting Minutes

The August 14th, 2021, Northstar Chevelle Club meeting was held at Tolerance Masters, employer of club member John Palmer. Following a tour of the facility, Hank Millette called the meeting to order at 12:32 P.M. Nineteen people were in attendance.

Craig Frank met some members at Street Machine Nationals and has since joined the club. Craig resides in Mayer and drives a '71 Malibu convertible that he's had for about a year.

The balance in the checking account was \$2,465, a \$144 decrease from the June meeting. The decrease is comprised of June and July meeting costs and website and forum costs.

Webmaster Steven Coozenoy has been working on the Club website. The old application was sunset; there is no additional cost for the new website under our existing Yahoo subscription. If you visit the website and it still looks the same, clear the cache on your computer. Steven is still working on building some links and possibly making updates to the forum. If anyone notices anything missing or is having issues with the website or forum, e-mail Steven at nevetscooz@gmail.com. Bob Wall pointed out that the list of recurring events is no longer on the website. President Millette mentioned that the discounts page and link to IDThreadz are not there.

We are still looking for volunteers to fill officer positions for 2022. Anyone interested should e-mail jenny.staniec@northstarcheves.com.

We will hold a tech session at Randy Lewis's on September 25th at 10:00 A.M. Watch for further details in the coming weeks.

We will be visiting Keith Snider's shop in Bay City, WI on October 23rd.

A November bowling date, time, and venue are yet to be determined. Please e-mail any suggestions to jenny.staniec@northstarcheves.com.

The holiday party will be at The Machine Shed in Lake Elmo Saturday, December 11th at 5:30 P.M.

Business discussion ended, and the meeting was adjourned at 12:38 P.M.
