

Northstar Chevelle Club

August 13th, 2022, Meeting Minutes

The August 13th, 2022, Northstar Chevelle Club meeting was held at Unique Classic Cars in Mankato, MN. Eleven members and one dog gathered as President Hank Millette called the meeting to order at 11:42 A.M.

The balance in the checking account was \$2,168, a \$17 decrease from the previous balance. The decrease is attributable to website and forum costs, offset by mid-year dues for one new member.

No issues were reported with the forum or website.

We are looking for officer volunteers for 2023. Anyone interested in an officer position should e-mail jenny.staniec@northstarchevelles.com.

For those who are interested in attending, the popular Osceola Wheels and Wings show is Saturday, September 10th.

The official September meeting will be a cruise. Plans are in the works and will be posted as soon as they are finalized.

Saturday, October 15th, we will be going to Ellingson Motor Cars in Rogers, MN, followed by potluck lunch at Gavin and Emily Haasl's in Otsego.

Bowling and Officer elections will likely be held at Flaherty's in Arden Hills Saturday, November 19th.

Plans for the December holiday party are in the works. Restaurants with private dining rooms and reasonable food and beverage minimums are getting harder and harder to find. If anyone has suggestions for potential holiday party venues, please send them to the Secretary. Also, please feel free to share your preference regarding continuing to hold the holiday party in the private room at The Machine Shed vs. a restaurant where the space is not private. Send your suggestions and thoughts to jenny.staniec@northstarchevelles.com.

During open discussion, Jon Hermann jokingly questioned why a Northstar Chevelle Club cruise was led by a Pontiac, an Oldsmobile, and a Dodge. The answer: because Dana knows where he's going, the Staniec Chevelle is sidelined again, and the President was headed from the cruise, to the airport, to Rockford before finally heading home after dark.

Business discussion ended and the meeting adjourned at 11:47 A.M.
