

On March 16, 2024 the monthly meeting of the NorthStar Chevelle Club was held at the home of member Derek Kiefer in Pine Island, MN, with about 20 members and guests present. The meeting was called to order by Mitch Despen, the club president at 1:30 PM.

Mitch asked if there were any questions about the minutes from the previous meeting and there were none and those minutes were accepted.

Mitch then asked if there were any new members present and Ron Wolf introduced himself and gave the members information on his Chevelle.

Mitch then brought up a discussion on future meetings and brought up a possible joint cruise with the Camero Club of which he is a member. Dave Seitz, who works at New Flyer bus company in St. Cloud, suggested a tour of their facility might be of interest to the members. Derek offered to host another meeting in the fall at his home in Pine Island which could include some go kart racing and a shooting range. Hank Millette suggested a possible trip to the Veit car collection. Hank also mentioned another visit to the Classic Auto Repair facility in Blaine. Derek Kiefer also suggested a cruise to Winona, MN and a visit to a car collection in that city. Mitch suggested that the club officers meet in the near future to review these suggestions and come up with a plan for future meetings.

John Delke then brought the club up to date on the website and answered questions.

Terry Didion reported that the club checking account had a current balance of \$2,151.79.

There being no further business or questions the meeting was adjourned at 2:00 PM.
